Summary

Simple base plate for a RPi (2B-4), so you can screw it onto something else

Hobby & Makers   >   Electronics

Tags: mount   raspberrypi

Simple base plate / mount for a Raspbbery Pi (2B up to 4). Use four M2.5 threaded inserts (e.g. https://cnckitchen.store/products/gewindeeinsatz-threaded-insert-m2-5-standard-100-stk-pcs) for mounting.

Has 4 screw holes so you can screw the frame onto something else (wall, wood plate, whatever).
